Professional Summary

Computer Science and Engineering undergraduate at the University of Moratuwa with a strong academic record and practical experience developing software solutions. Passionate about software engineering, problem-solving, and building reliable, user-focused applications. A motivated and adaptable team player seeking to apply my skills and grow through a software engineering internship.

Education

University of Moratuwa

B.Sc. Engineering (Hons), Computer Science and Engineering

2024–Present

Moratuwa, Sri Lanka

- CGPA: **3.80/4.00**

BT/Kallady Vivekanantha Ladies College

G.C.E. Advanced Level, Physical Science Stream

2020–2022

Batticaloa, Sri Lanka

- Combined Mathematics (A), Chemistry (A), Physics (B)
Island Rank: 589; Z-score: 2.2192.

BT/Kallady Vipulanantha Vidyalaya

G.C.E. Ordinary Level: 9 A passes

2009–2019

Batticaloa, Sri Lanka

Technical Skills

Languages

Python, Java, C, C++, JavaScript, TypeScript

Frontend

React, HTML, Tailwind CSS

Backend

Node.js, Express.js, Fastify, REST APIs, Socket.IO

Databases

PostgreSQL, MySQL, SQLite

Technologies & Tools

Git, GitHub, Docker, Kubernetes, Apache Kafka, Firebase Cloud Messaging

Projects

Resource Coordination Platform for Community Resilience

Jul 2026–Present 🔄

- Developing a microservices-based web and mobile platform to coordinate disaster-response requests, volunteers, donations, and resources.
- Building secure REST APIs and event-driven communication to support reliable coordination and real-time workflows.
- **Technologies:** React, Node.js, Express.js, PostgreSQL, JWT, Apache Kafka, Docker.

Smart Waste Management System

Apr–May 2026 🔄

- Developed the notification service for a microservices-based waste collection platform.
- Implemented event-driven messaging, JWT authentication, real-time web and mobile notifications, and containerized deployment.
- **Technologies:** Node.js, TypeScript, Fastify, PostgreSQL, Apache Kafka, Socket.IO, Firebase Cloud Messaging, Docker, Kubernetes.

BrightBuy — E-Commerce & Inventory System

Sep–Oct 2025 🔄

- Built product, order, and stock-management features for an e-commerce and inventory application.
- Implemented backend logic for inventory tracking, order processing, and status management.
- **Technologies:** React, Node.js, MySQL, REST APIs.

Semester GPA Management Application

Dec 2025–Jan 2026 🔄

- Developed an application that manages academic records and calculates semester and cumulative GPAs.
- Implemented CRUD operations, search, input validation, and an interactive user interface.
- **Technologies:** TypeScript, Node.js, Tailwind CSS, SQLite.

Awards & Leadership

- **Dean's List, University of Moratuwa** – Semesters 1, 2, and 3.
- **Python Programming Certificate, University of Moratuwa** – 2024.
- **Prefect, BT/Kallady Vivekanantha Ladies College** – Coordinated school events and supported administration and discipline management.

Volunteering Experience

CSE Careers Fair

2026

Refreshment Committee Member

University of Moratuwa

- Supported the planning, organization, and distribution of refreshments for participants and organizing teams during the careers fair.

Hit the Ground Event

2026

Design Committee Member

University of Moratuwa

- Helped create promotional flyers and visual materials, supporting clear and consistent communication for the event.

Additional Information

Languages English (Working proficiency), Sinhala (Intermediate), Tamil (Native)

Interests Programming, web development, carom, chess, and music
